

## Activity report 2015

March 2014-February 2015

By

Georges Kessler

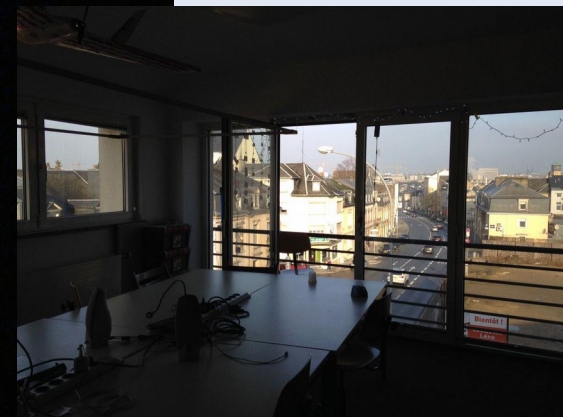

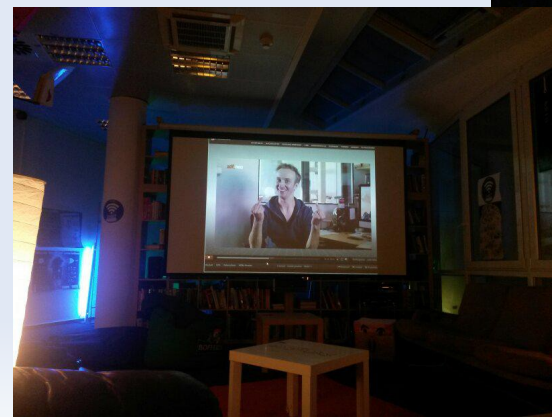

a.k.a Gunstick

- 3rd year office as president
- Was a good year
- Increased Syn2cat member count

# syn<sub>2</sub>cat

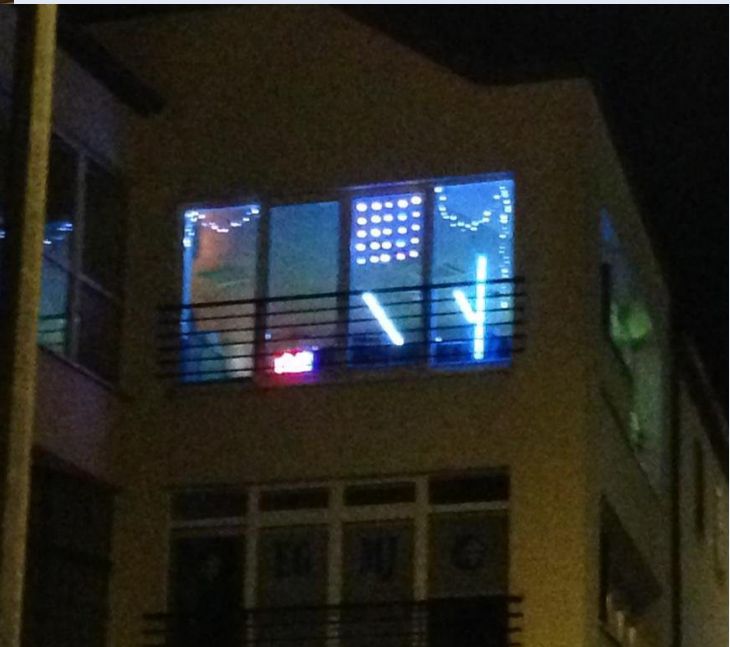

The new location proved successful

# syn<sub>2</sub>cat

## Decorating

## Task distribution and projects

- Too many tasks done by office (again)
  - Facilities/catering
  - Events managing
- Stalled/slow projects?
  - The shapeoko is finished!
- New projects?

Year in review *2015*

- Coder Dojo

Almost every week

Year in review **2015**

- movienights  
every 2 weeks

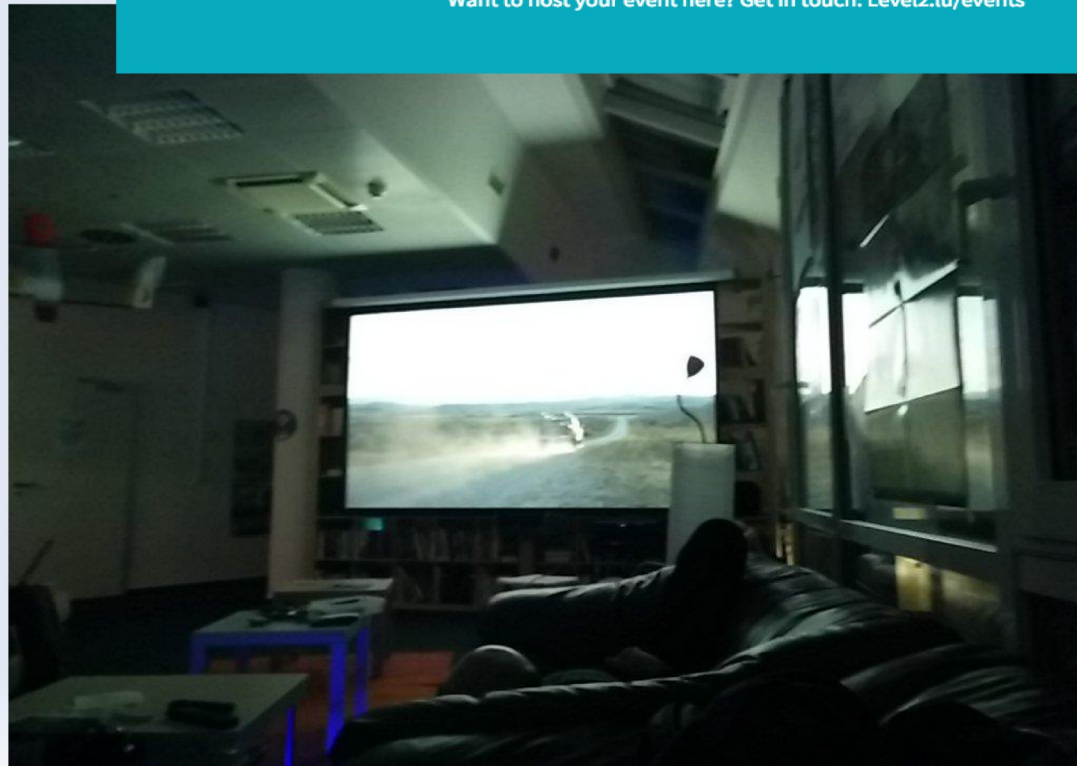

## Today's menu

### Movie Night [19:00]

Every 2 weeks we'll use our chill area to watch a movie together on our nice projection screen  
We'll order food at around 7pm, socialize, decide on a movie and start this one at 8pm  
Popcorn is welcome 😊

Want to host your event here? Get in touch: [Level2.lu/events](http://Level2.lu/events)

Every Monday from around 8pm until people go home

Monday, 2. Mar 20:00  
Level2

#### CoderDojo

CoderDojo Luxembourg is for 12 to 18 year old people who want to discover the wonderful world of coding.

Thursday, 5. Mar 18:00  
Engineering-desks, Level2

#### Digital Privacy Salon

Luxembourg Digital Privacy Salon is free, intended for everyone, no prior technical expertise is assumed.

Digital Privacy Salons are skill & knowledge sharing sessions which aim to teach people the basic ways of protecting themselves and their data from intrusive surveillance.

Saturday, 7. Mar 10:30  
Engineering-desks, Level2

Generally the salons deal with how to have private conversations over instant messaging, how to encrypt emails, how to browse
