

2011

...the year we made contact

by *prometheus* & *mAcfreAk*

2010...a short review

- hackerspace's year One
- free access to (awesome) infrastructures
- many new members
- many new projects

2011...innovative structures

- count on strong base
- innovate through excellence
- sharing idea of “openness”
- strengthen hackerspace public awareness

“Presidency”?

- flat hierarchy
- cooperation office <> members
- **everyone** is concerned

The program...

outside

- **respect** our infrastructure
- **support** local projects
- **enhance** hackerspace's image by
 - publishing more
 - gaining new members
 - penetrating new ground...*not literally taken*

The program...

c'ted

inside

- **emphasize** member advantages with new features
 - **syn2day** : special monthly conferences
 - **card advantages** : show your member-card to access advantages
 - **geekdiner** : dine together on predef'd dates
 - ...**more to come**...
